

Advance Praise

for *Travelin' Man: On the Road and Behind
the Scenes with Bob Seger*

“*Travelin' Man* captures in photographs the history and legacy of one of the great American rock classics, Bob Seger.
—George Thorogood

“Tom and Gary's pictures and stories took me right back to my days at WRIF in Detroit. A new Seger album would come out, and Punch would be on the phone making sure we were all over every track. *Travelin' Man* is a vivid reminder of those times and the impact Bob had on making the Motor City 'the home of rock n' roll.'
—Fred Jacobs, president of Jacobs Media

“True insights into Bob Seger's lengthy career are a rare thing. That is remedied in *Travelin' Man*. Tom Weschler and Gary Graff respectfully bring light and vision to an artist and an era that deeply deserves a closer look.
—Howard Kramer, curatorial director of the Rock and Roll Hall of Fame and Museum

“The first definitive biography of that ramblin' gamblin' man who remains the true leader of Michigan rock and roll.
—Johnny Bee Badanjek, drummer for Mitch Ryder and the Detroit Wheels and the Rockets

“One of the best singer-songwriters in all of rock 'n' roll. One of the great ones from Detroit. A nice pictorial history of an important artist, mostly before he came onto the world stage.
—Jim McCarty, guitarist for Mitch Ryder and the Detroit Wheels, the Rockets, Cactus, and Mystery Train
