## for *Yiddishlands*

“ David G. Roskies’s passionate narrative of a brilliant family is more than a memoir of rupture and renewal—it is a history of a civilization, its languages, its lost cities, its living songs. ”

—**Cynthia Ozick**, recipient of the National Book Critics Circle Award, and finalist for the Pulitzer Prize

“ David G. Roskies is the only one of his generation who can map the Yiddish literary world after the war with personal stories, vivid portraits of the key players, and extraordinary acumen and wit. *Yiddishlands* is a tour de force. ”

—**Hana Wirth-Nesher**, professor of English and American studies and director of the Goldreich Family Institute for Yiddish Language, Literature, and Culture at Tel Aviv University
